Pedal Waste Bin

Specifications

Model	5040
External Size	325 x 325 x 420 mm
Material	PP
Capacity	18 Liters

Description

The 5040 is an 18-litre pedal waste bin with a strong foot pedal for hands-free, hygienic opening, paired with a tight-fitting cover that helps contain odours between empties.

An inner separate bin lifts out from the outer shell, making it quick to empty without handling the whole unit. The mid-size round footprint suits waste points in kitchens, offices, and washrooms that need more capacity than a small bin.

Finished in a stylish design that fits any interior, this pedal bin is built for everyday, hands-free waste disposal.
