PRODUCT DATASHEET

Bakery Tray / Food Production Container

5151A

Specifications

Model	5151A
External Size	528 x 396 x 60 mm
Internal Top	485 x 355 x 55 mm
Material	PP

Description

This tray measures 528 x 396 x 60 mm, a lower-profile option in this range. Internal usable area is 485 x 355 mm, with a 55 mm depth. It has solid walls, a flat rim, and ribbed base bands for added rigidity. Made from food-safe PP with a reinforced rib, it stacks and is washable.

This tray suits bakery and food production settings needing a shallower open tray. It works well for laying out or proofing product through production. Stackability keeps it space-efficient between uses. The shallow depth suits flatter product that does not need a deep tray wall.

Features

- Reinforced rib
- Stackable
- Washable
- Food-safe pp
