Description

This lid measures 600 x 400 mm, with a downturned rim and recessed notches along the long sides. It has a reinforced rib and fits over the standard Euro container rim. It includes a label holder and is stackable and washable. It fits models 604012, 604017, 604022, 604032, 5577, 5578, and 5588. Covered heights are 130, 180, 230, 330, 210, and 325 mm depending on which container it is paired with.

This lid suits closing off any of its compatible Euro containers for transport or storage where contents need to be covered. The covered unit still stacks.
