PRODUCT DATASHEET

6040FC

Euro Container Flip Cover

Specifications

Model	6040FC
External Size	600 x 400 x 10 mm
Material	PP
Compatible model	604012, 604017, 604022, 604032
Height with cover	130, 180, 230, 330 mm

Description

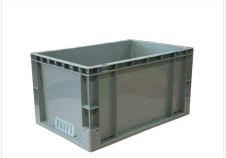

This cover measures 600 x 400 mm, with molded hinges for flip-open access, dual textured central panels, and raised structural perimeter features. It has a reinforced rib and fits over the standard Euro container rim. It includes a label holder and is stackable and washable. It fits models 604012, 604017, 604022, and 604032, giving covered heights of 130, 180, 230, and 330 mm depending on which container it is paired with.

This cover suits repeated access to a covered Euro container without fully removing the lid. It works well where contents are picked from regularly. The unit stays stackable and covered between uses.

Features

- Standard 600×400mm euro footprint
- Hinged flip-open design
- Reinforced rib
- Fits over container rim
- Stackable
- Washable
- Label holder
- Available in blue and grey
